Employment History

Customer Service Advisor - Test & Trace

Serco (Remote + Contract)

May 2020 - August 2020

Conducted outbound calls to a person in contact with another individual that has received a positive coronavirus test advising them to self-isolate, as part of the NHS COVID-19 contact tracing programme.

- Communicated with the public, 100% of contacted cases successfully isolated without any concerns unaddressed.
- Solved any queries during a call while obeying escalations, 89% response rate within call, preventing callbacks.
- Updated records accurately and efficiently with overall 0% reported errors from over 100 total calls.
- Maintained an average adherence of above 98% with a target of 95%.

Volunteer

Leicestershire County Council

June 2019

Worked alongside employees on various types of software to assist in the development and optimisation of existing systems.

- Implemented new and altered existing, JavaScript validations/testing scripts that saved 30 hours in production.
- Extensively tested mock environment, found 2 "major" errors and suggested solutions when entering boundary data.
- Amended current data held in the database that produced 5 "minor" errors using MySQL.
- Assisted with incoming service issues and recorded appropriate outcomes at a 94% successful completion rate.
